Chills and Debility Cured.

I take pleasure in testifying to the remarkable benefit I have recently recedived from the use of fandam's Microbe Killer. I have been much troubled with chilis, night sweats and debility for months, and after trying a great many remedies to no avail, bought a jug of Microbe Killer and was completely cured in ten days. Respectfully, J. Surris.

Frankfort, Ky.

Hemorrholds Cured.

Hemorrholds Cured.

I wish the afflicted and suffering to know that I positively assert that for twenty-nine years I have constantly suffered, intense agony with that most terrible disease known as hemorrholds or piles, in their very worst form. I have tried every available prescription, but no curative end. I have taken one jug (which contained one gailon) of Microbe Killer, and it has completely cured me. It now feels like a dream that I have ever suffered with that disease.

Ber Dou't forget that Wim. Radam's Great Discovery is the original and, old reliable Microbe Killer (of which other similar so-called remedies are but feelble imitations) has quired more diseases than all other proprietary medicines put togother.

Mr. Radam's Microbe Killer Cures all Diseases by Re-moving the Cause.

moving the Cause.

Send Leent stamp for 48-page circular and the Microbe War, shows what disease is and what the remedy must be, and do, to cure it. Read it, circulate it and you will bless the discoverer fo saving your life. Address

THE NEW COMMENCEMENT HALL

Will be Completed in Time for Graduating Exercises .-- The University Team Defeats the Jefferson College Nine .- The Episcopal Connell Adjourns --- A Gratifying Meet-

Special Correspondence of the Intelligencer.

Morgantown, June 4 .- The announce ments for commencement week came out yesterday. They contain a programme of the performances for the entire week. The performances this year will be held in the new commencement hall, which is just being completed. The work has been pushed on this building very rapidly for the last two weeks, and it now presents a better appearance than was at first expected. The students of the University held a

mass meeting in chapel hali this afternoon. The object of the meeting was for the purpose of adopting resolutions looking forward to the purchase of suitable grounds for athletic purposes. The students have been very active this year in this direction, and need but the proper amount of assistance from the regents to make the project a success. Dr. Turner commended the action of the students in regard to athletics. the students in regard to athletics. There is no ground suitable for the purpose in the possession of the University and but little any place that is suitable. The building boom promises to place this beyond reach soon and this would

this beyond reach soon and this would result very disastrously to the interests of the college.

A large amount of stock has been subscribed and negotiations are being made with a Pittsburg glass company for the erection of a glass plant hero. The project has been undertaken before, but never with such promise of success as a present. success as at present.

MORGANTOWN WINS. The first game played by the University base ball club on their own grounds was played this afternoon with the Jefferson College, Pa., nine. The W. V. U. club went to the bat first and W. V. U. club went to the bat first and scored three runs. Then both sides were shut out till the beginning of the fourth, when Jefferson scored one. During the sixth the tide turned in favor of Jefferson, but during the eighth and ninth the Jefferson boys became rattled and the W. V. U. boys ran their score up to 20 with Jefferson 9 at close of game. A large number of the Regents of the University who have come for commencement were present at the game. The results of their observations are watched with anxiety, for the only grounds which the University team can secure are liable to be occupied in a very short time. The critical point for athletics here has been reached, and the action of the Regents at this meeting will probably degents at this meeting will probably de-termine the course in the future. The students are anxious to do their part, and will make the project amount to something if they get the assistance which is due them. Most of the Rents are in town now ready for work

EPISCOPAL COUNCIL

In Session at Martinsburg Concludes its Labors—Good Showing. Special Correspondence of the Intelligencer.

MARTINSBURG, W. VA., June 4 .- The Episcopal Council for the diocese of West Virginia adjourned this evening after conducting a very interesting and business-like session, and after voting that Martinsburg is a first-class and hospitable city and a most excellent place for council meeting. The minplace for council meeting. The ministers are all very much enthused over the general outlook for the church. The devotional exercises and business meetings have both been very largely

attended.

There were no devotional services to-day. The standing committee recommended three candidates for the Holy Order and one for Priests' Order. The committee also gave consent to the consecration of Rey. Dr. Nichoison as Bishop of Milwaukee, and Rev. Dr. Nelson as Bishop of Georgia, and for the election of an assistant bishop in the diocease of Springfeld.

the election of an assistant bishop in the diocese of Springfield.

The committee on finance reports \$7,328 39 in the hands of the treasurer, a satisfactory excess over last year's balance. They report that the trustees of the episcopal fund received more last year than ever before.

The following ministers and laymen were appointed on committees: Missionary committee of diocese, Revs. T. H. Lacy, S. S. Moore and J. F. Woods and Messrs. L. E. Sands, B. M. Ambler and David Brown; religious education, Revs. R. D. Roller, F. H. Lacy and G. W. Easton and Messrs. W. E. Watson and W. S. Laidley; Sunday schools, Revs. J. Brittingham and J. R. Taylor and Messrs, L. E. Sands and Allan Porock.

The claims of Sheltering Arms hos-

The claims of Sheltering Arms hospital, a diocesian institution located at Point Creek, Kanawha county, were discussed and attention called to work that might be done for miners.

The committee on religious and theo-logical education presented a very en-couraging report, which shows that the churches in the diocese have contribu-ted very liberally to the cause of educa-tion.

ted very liberally to the cause of education.

The committee on the slate of the
church was the last to report. Their report was an interesting resume of the
condition and needs of the church
They recommend the increasing of the
number of lay delegates to the council
and the defraying of their actual expenses from individual church fund.
They also recommend a charge on the
convocational system and think these
meetings should be more frequent.

Smallpox Pown the Biver.

The physicians are now all agreed that there are a number of genuine cases of smallpox down the river at Mason City, W. Va., Pomeroy, O., and the villages in the vacinity of these two towns. There have been four or five deaths. The physicians are of the opinion that there will necessarily be an epidemic of the disease in the localities mentioned because of the fact that a great number of people have been exposed to it.

This is the conservative view of the situation. There is no need of being The physicians are now all agreed

This is the conservative view of the situation. There is no need of being unduly alarmed, but there is need of the utmost precaution and the most rigidenforcement of the best regulations against the spread of the diseage.

Dr. Stout deserves great credit for his prompt action in attempting to quarantine against the people from the infect ed region, but his efforts, no matter how well directed, cannot be wholly effective. What is needed is the immediate action of the state board of health in conjunction with the Ohio state board of health, and the local boards to Drug Co.'s.

For Malaria, Liver Trouble, or Indigestion, use BROWN'S IRON BITTERS

Mile Nerve and Liver Pills.

Act on a new principle—regulating the liver, stomach and bowels through the nerves. A new discovery. Dr. Miles Pills speedily cure billousness, bad taste, torpid liver, piles, constipation. Unequaled for men, women and children. Smallest, mildest, surest! Filty doses, 25c. Samples free, at The Logan Drug Co.'s.

keep the disease confined within its

present limits.

How do our quarantine officers know whether, the people who get off of the train and boats tell them the truth or not? A man may say he is from Chicago and yet be direct from Pomeroy or Mason City. The quarantine should be enforced strictly and immediately by the health officers at the places where the contagion exists. That is the where the contagion exists. That is the only way to keep it from spreading. That this is not done is proved by the fact that people still go in and out of these towns just as they please.

GRAFTON.

The People's Party Convention cans Indignant. Special Dispatch to the Intelligencer

GRAFTON, W. VA., June 5 .- Delegates from the various lodges of the Farmers' Alliance throughout Taylor county assembled yesterday afternoon at lo'clock in the court house, under the name of People's party, to nominate a straight-out county ticket; and, also appoint delegates to their several conventions to be held throughout the state. The convention was presided over by John M. Starr, and assisted by Lloyd C. Brown as secretary. After the reports of certain committees, appointed by the chair, were read and adopted, the foliair, chair, were read and adopted, the to-lowing county ticket was nominated; For delegate to legislature, John R. Thayer; sheriff C. L. Reynolds; prose-cuting attorney, Zadok M. Cochrane; county commissioner, George W. Cham-

county commissioner, George W. Chambers; assessor of eastern district, Fletch Minear; assessor of western district, Lloyd C. Brown.

The nominees for prosecuting attorney and sheriff have heretofore affiliated with the Democratic party, and the other nominees with the Republicans. The convention was manipulated largely by Z. M. Cochranc, at the instance of the Democratic organization of the county and it is applied to the The convention was manipulated largely by Z. M. Cochrane, at the instance of the Democratic organization of the county; and it is understood that a part, if not all of the nominees, will be endorsed by the Democratic county convention. Those not in sympathy with the movement claim that as there was no Peoples party ticket in the county at the last election, the nominees are not legally qualified to be voted for, unless they be further nominated by a pstition of fifty voters. The convention attracted very little outside attention, and the ticket is not regarded as possessing any elements of strength. Republicans are justly indignant at the course pursued by Assessor Brown, he having been appointed, two years since, assessor for the western district of the county by a Republican county court to fill the vacancy occasioned by the resignation of F. J. Burdette.

The dispatch from the INTELLIGENCER yesterday afternoor announcing the resignation of Secretary Blaine caused great excitement in the town and county. There is much speculation among

great excitement in the town and county. There is much speculation among Republicans here as to the result. Nevertheless, the expressions of Republicans in this section uniformly indicate

licans in this section uniformly indicate that they will all be a unit for the nomine at Minneapolis, whoever he may be. A special term of the circuit court convened here last Tuesday and adjourned Saturday. Winfield Harris and George Main, two bad characters, indicted and convicted of highway robbery, were each sentenced by the court to five years' confinement in the reform school. The minimum punishment prescribed by the statute is five years in the penitentiary. The sentence of the court is regarded as very lenient.

Sorry To Lose Him.

In looking over the proceedings of the general conference of the M. P. church, at Westminster, Md., in Mon-day's Baltimore American, we find the

following paragraph:
U. S. Fleming, elected publishing agent at Pittsburgh, was formerly principal of the State Normal school at Fairment, W. Va., and is now associate principal of Normal and Classical acadpute the state of th emy st Ruckhannon, W. Va. He is about forty years of age, and has been engaged in teaching for twenty-four years. He was educated at Pittsburgh engaged and Adrian, Mich., and was secretary of the general conference from 1888-92, and is one Secretary's Cowan's assist-ants in the general conference.

Special Dispatch to the Intelligences CHARLESTON, W. Va., June 5.—The charter of the Cherry Run & Potomac charter of the Cherry Run & Potomac Valley Railroad Company was issued vesterday by the secretary of state. The road is to run from Harper's to Cherry Run, on the Baltimore & Ohio, in Morgan county, through the counties of Jefferson, Berkeley and Morgan. The principal office will be at Harper's Ferry. Capital \$200,000. The incorporators are Thomas M. King, E. J. D. Cross, of Baltimore, Md., and M. T. Ingles, I. E. Auld and G. W. Santman, of Martinsburg.
